DIRECTIONS FOR USE

Warm engine and then switch off. Cover all electrical components, e.g. wrap in polythene. Shake can well before and during use. Generously spray Gunk until entire surface appears thoroughly wet. Do not use can upside down. Allow 5-10 minutes for Gunk to penetrate oil, grease and grime - longer in extreme cases. For unusually heavy deposits or stubborn areas apply more Gunk and agitate with a stiff brush. Rinse thoroughly with a strong stream of water. Run engine until surfaces are completely dry.

NOTE: DO NOT use on hot surfaces or hot engines, asphalt or tarmacadam. On lacquer or painted surfaces where discolouring may occur, test on a small inconspicuous area prior to use.

STORAGE INSTRUCTIONS

Store sealed in a cool, dry place away from children and out of direct sunlight.

SHELF LIFE

2 years from date of manufacture.

Appearance	: Amber liquid
Odour	: Characteristic
Solubility	: Miscible in water
